

SHIPLAP FIREPLACE SURROUND & MANTEL

Furniture | Wood | Concrete
Custom. Innovative. Handcrafted

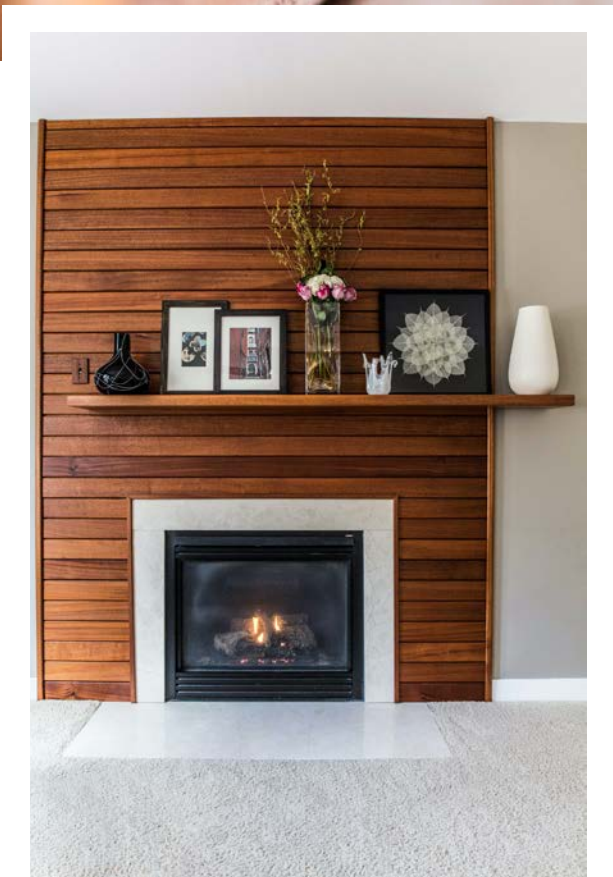

photo credit: Justin Chesney

DESCRIPTION

Clean lines, solid construction, and attention to detail showcase the offset mantel. Each mahogany board is shiplapped. Chamfers highlight the small, consistent gap between each plank which serve not only as an architectural detail, but allow the wood to move with the changing seasons. Shiplap walls are great for fireplace surrounds, kitchen & bar backsplashes, and headboards. Concrete options available as well.
