

## THE GENTLE STORM COFFEE TABLE

Furniture | Wood | Concrete  
Custom. Innovative. Handcrafted

photo credit: Alicia Dietz

### DESCRIPTION

Textured concrete in true wabi-sabi style. As the concrete is poured, its own weight affects the pattern and movement, creating a truly one-of-a-kind piece. Other styles of base can be done to really compliment this top. Concrete can be used for coffee tables, side tables, dining tables, and bars.

In collaboration with ArchitectureFirm, RVA.
