

HEN WALLOW FALLS WATERFALL COFFEE TABLE

Furniture | Wood | Concrete
Custom. Innovative. Handcrafted

DESCRIPTION

Living rooms serve as a place to gather and converse, and you want a table that draws people in. This live-edge walnut coffee table does just that. A waterfall edge highlights the grain of the wood as it rolls from the top onto the side. The natural beauty of the live edge let's itself shine on both sides.

In collaboration with Tracy deShazo Interiors.
